#### Found:

Small black toy horse Sat, Sept 23 an American woman on train from Stuttgart with her 2 young sons let my little son play with their toy horse. She recently moved here and lives north of Herrenberg. I suddenly realized that the stop near Vaihingen was mine and ran off forgetting my son had the horse in his hand. As I remembered the train started pulling away. I am sorry and hope you can call me at 0175-672-7941 so I may return your son's knights horse.
